

For the purpose of the Beaver Control Program (CAP-BCP), guidelines state:

Eligible RMs must have passed a bylaw allowing beavers to be hunted in the municipality, and filed a certified copy of the bylaw with the Ministry of Environment, as per section 4 of The Wildlife Regulations, 1981. To determine if this was already done by your RM, please refer to the map below.

- If the RM has completed and submitted this bylaw, it is not required to resubmit a copy to the Ministry of Environment each year.
- If the RM has not submitted the required bylaw, submit a certified copy by email or fax attention to:

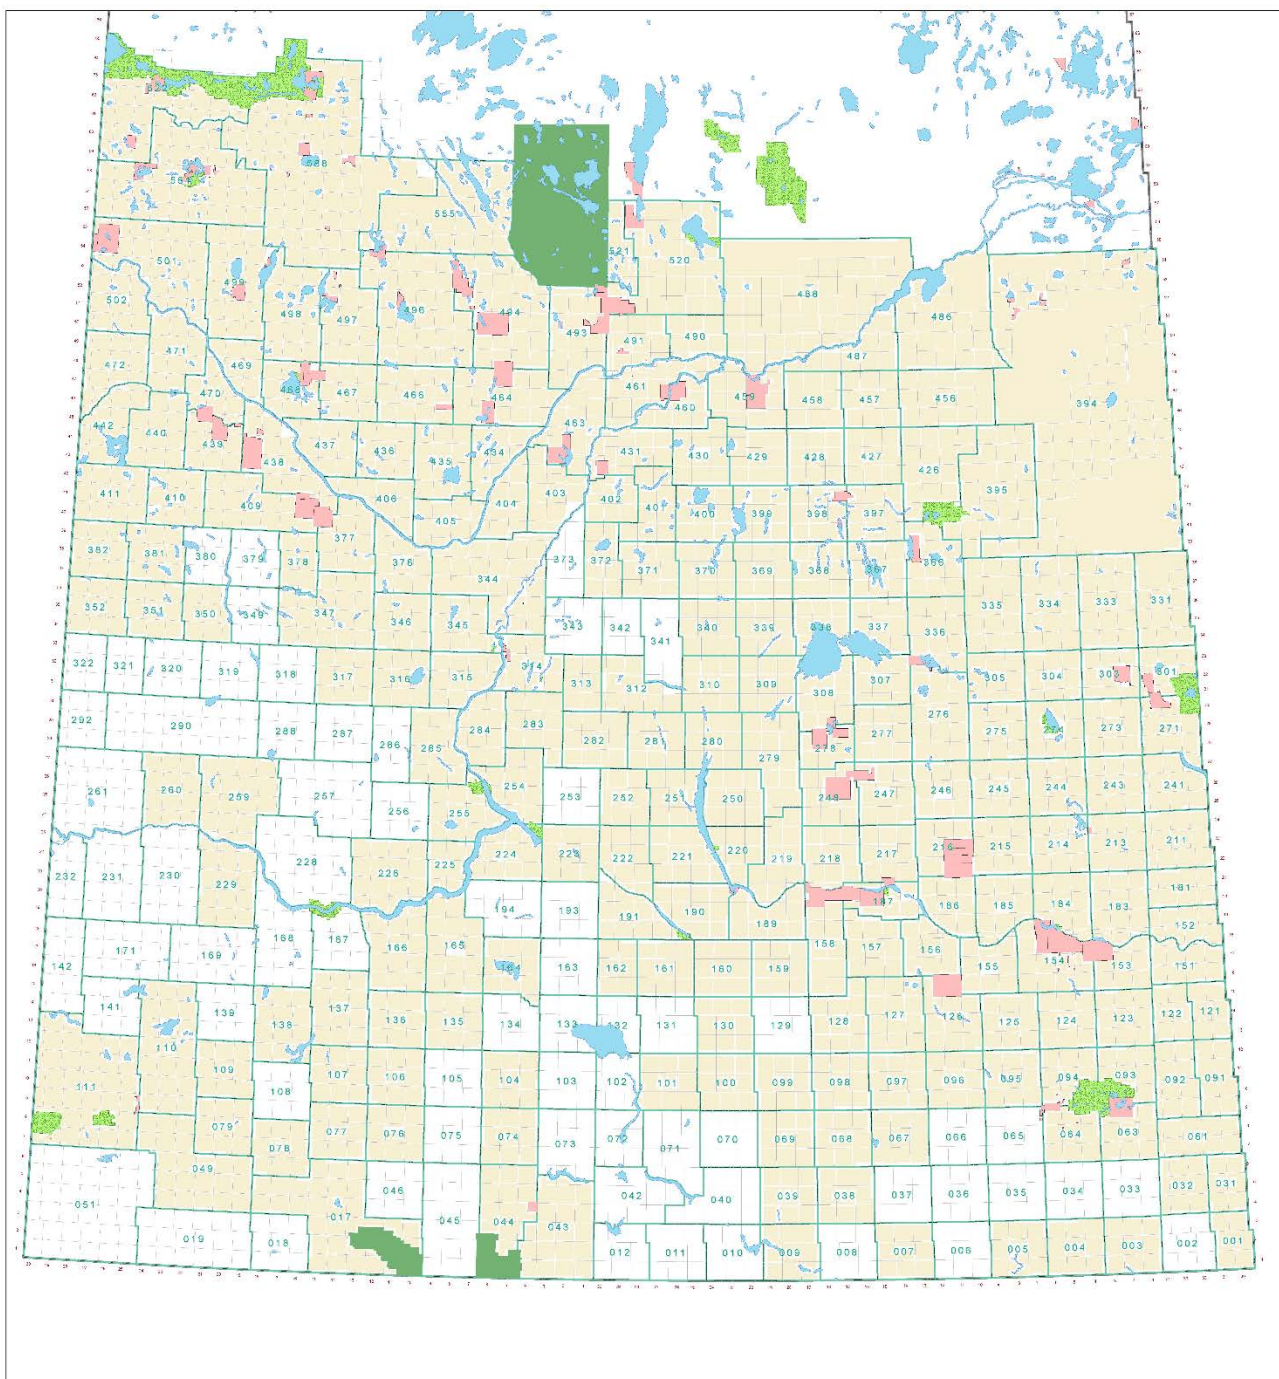

Mike Gollop, Fish, Wildlife and Lands Branch, Ministry of Environment

Email: mike.gollop@gov.sk.ca; or

Fax: (306) 933-5773

Note: This bylaw is not required of First Nations Bands.
