

Saskatchewan Workers' Compensation Board

Work to live.

WorkSafe Vision

The elimination of occupational injury and illness in Saskatchewan

Partnership between OH&S and WCB

Mission:

To create a culture that prevents occupational injury and illness.

Guiding principles:

Catalyst to reduce injury rate

OH&S is everyone's responsibility and requires commitment

Partnerships are essential to success

Vision Statement

In serving injured workers and employers, we excel in the development and delivery of workers' compensation programs and services.

In serving all workers and employers, we develop and deliver injury prevention programs and services that move Saskatchewan quickly to zero workplace injuries.
