

IN THE LAST TEN YEARS...

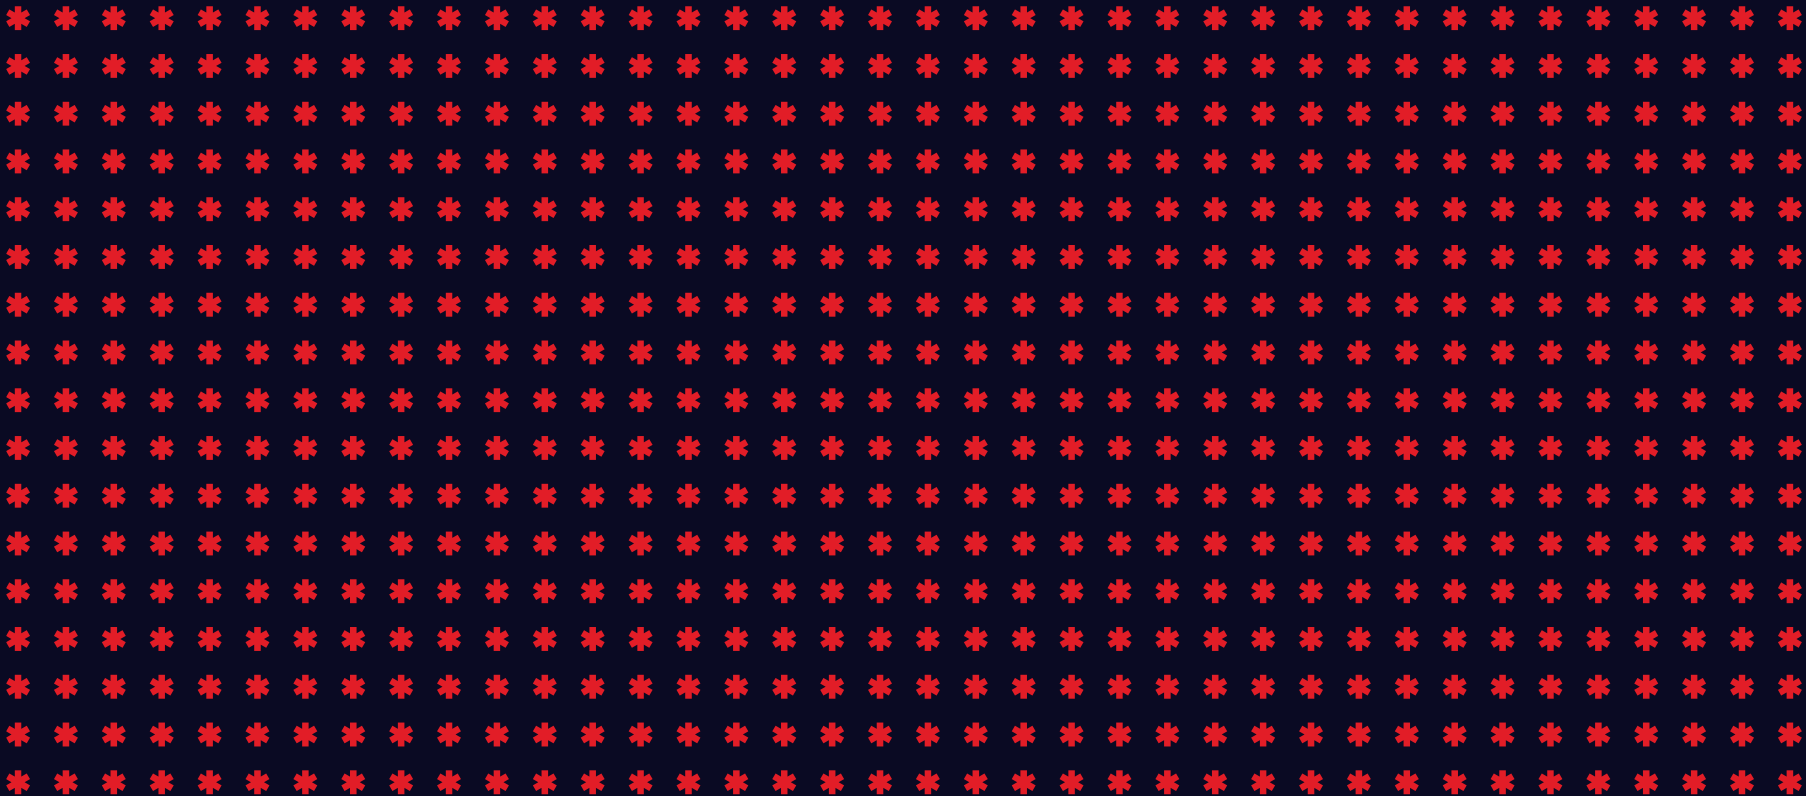

- ❖ 9,300+ missions to more than 500 Saskatchewan communities
- ❖ Pioneered blood on board
- ❖ launched a mobile education unit to train rural health practitioners – a first in North America
- ❖ Piloting air-to-ground Wi-Fi medical data transmission
- ❖ Began mass hemorrhage protocols
- ❖ Began serving patients across the province with the new, state-of-the-art Airbus H145 helicopter
- ❖ Industry leader in equipping and training all our teams with pre-hospital ultrasound and other innovative diagnostic tools
- ❖ Isolette mounts in our aircraft enable us to carry pediatric patients
- ❖ We've partnered with communities to set up 26 fuel caches, extending our range across the province

FROM 2012 TO OCT. 31, 2022 – SARM HAS DONATED \$3,900,731.00 WE ARE ALL STARS®
