Cody was born in the community of Crane Valley where he grew up on the family's mixed grain/cattle farm. He now has put down roots in the community of Lumsden with his wife and their two children. Cody joined the RM council in 2015 in a by-election and shortly after was appointed deputy reeve, which he still holds today.

Cody keeps active with sports, hunting, and managing their small herd of highland cattle. With nearly 20 years in the industry as a paramedic, he has a deep understanding of how healthcare operates in rural and urban backgrounds. He looks forward to bringing his energy to board meetings and working hard for Division 2.
