

Saskatchewan Association of Rural Municipalities

Division 5 Director

Blair Cummins

306.221.8758

division5@sarm.ca

Blair was born in Saskatoon and raised on the family farm in the Blucher area where he currently resides with his wife Marina. He graduated from Clavet Composite School and then from the U of S with a Diploma in Agriculture. He has two daughters, Stacey and Viktoria, and four grandchildren. Blair is a third-generation farmer and farms with his brother, Marty, and some of his nephews. He is pleased that the next generation is getting involved with the family farm.

Blair has been heavily involved in many community organizations since a young age, starting with 4-H in the crop programs when he was ten. He has always been active in sports and still curls and plays hockey. Blair joined the council of the RM of Blucher in 2011 as councillor for division five, a position formerly held by his father and grandfather. He was elected reeve in 2020, a position he currently holds.
